INVITATION

Dear Friends

The National Conference & One Day Workshop on Medicinal Plants and Sustainable Therapeutics (MPST) 2025 is being organized by the Centre of Excellence in Unani Medicine (Pharmacognosy & Pharmacology), Bioactive Natural Product Laboratory, Jamia Hamdard, in association with Save the Environment (STE), Kolkata & Gurugram, from 28-30 July 2025, at Jamia Hamdard, New Delhi, India.

This conference will focus on recent advancements, challenges, and opportunities in medicinal plant research and sustainable therapeutics, with special emphasis on phytopharmaceuticals, regulatory affairs, green chemistry, and integrative healthcare approaches. Experts from academia, research institutions, and the pharmaceutical industry will discuss strategies for scientific validation, standardization, and commercialization of herbal medicines and functional foods.

The workshop will provide hands-on training in emerging research areas, including analytical techniques for herbal drug standardization, bioactive compound extraction, and sustainable cultivation practices.

On behalf of the organizing committee, we invite researchers, academicians, industry professionals, and students to participate in MPST 2025 and contribute to this knowledge-sharing platform dedicated to sustainable and evidence-based herbal medicine.

Sincerely

BACKGROUND

Jamia Hamdard established in 1989, is a Deemed to be University primarily known for its Pharmacy, Medicine and Engineering programs. Jamia Hamdard is ranked among the top 40 Universities of India by the National Institutional Ranking Framework (NIRF), Govt of India and has been accredited with an A+ grade by the National Assessment and Accreditation Council (NAAC) of India. The university offers graduate and postgraduate programs in medicine, pharmacy, unani medicine, nursing, science, computer applications, management, allied health sciences, law and other disciplines. Jamia Hamdard is a pioneer in initiating integrated research in the modern and traditional streams of science and has been recently recognized as the Centre of Excellence in Unani Medicine (Pharmacognosy & Pharmacology), by the Ministry of Ayush, Govt. of India [For further details, please visit www.jamiahamdard.edu].

School of Pharmaceutical Education and Research (SPER) is one of the oldest and the most reputed Pharmacy Institutes in India and has been a rank-holder among the best pharmacy institutions. It has bragged 1st (NIRF 2017, 2019, 2020, 2021 and 2022) as well as 2nd rank (2023) by the Ministry of Education, Govt. of India. Currently, the school offers post-graduate and Ph.D. programs in all the major disciplines of pharmaceutical sciences in addition to diploma and undergraduate pharmacy courses. All four departments of SPER are DST-FIST sponsored and are actively involved in research as evidenced by their publications in reputed journals.

The Centre of Excellence in Unani Medicine CoE (Pharmacognosy and Pharmacology) is a state-of-the-art research facility at the School of Pharmaceutical Education and Research, Jamia Hamdard, New Delhi. CoE in Unani Medicine is funded by the Ministry of AYUSH, Government of India, and is dedicated for conducting advanced scientific investigations on Traditional Unani Medicine under AyurswasthyaYojana Scheme. The Centre maintains valuable research collaborations with renowned industries, including Hamdard, Dabur, Aimil, DolcasBotanosys Pvt Ltd, Tulip Lab Pvt. Ltd. India, Avitech Nutrition Pvt. India, AyuSwasthPvt. Ltd. Additionally, we have established collaborative partnerships with educational institutions both within India and abroad, including NCNPR at the University of Mississippi (USA) and the University of Khartoum (Sudan), as well as St Petersburg University, Russia, etc. CoE in Unani Medicine hosts over 25 research scholars, including postdoctoral fellows, Ph.D. candidates, and master's students. With ongoing projects worth more than 15 crores, it has successfully acquired modern sophisticated equipment through project grants. Additionally, a vast collection of over 500 costly reference standards and 350 preserved raw materials are invaluable to our research endeavors. [For further details, please visit <https://www.bnpl.org.in/About-CoE-BNPL.aspx>].

Save The Environment (STE) Save The Environment (STE) was founded and registered on 19th November 1990 [Reg no. S/66/489 of 1990-91]. Since then, STE has been privileged to collaborate with organizations and departments of repute, like WWF (India), AIIHPH, Indo-Canada environment facility, DST and DRDO to counter the long standing issue of arsenic poisoning of water, especially in rural areas of West Bengal, India. STE has also been actively engaged in spreading awareness among general public for environment protection and water management.

MAJOR HIGHLIGHTS

- Ayurveda, Unani, & Traditional Medicine Systems: Complementary Roles in Modern Healthcare
- Advancements in Phytopharmaceuticals: From Traditional Knowledge to Modern Drug Development
- Pharmacovigilance & Safety of Herbal Medicines: Ensuring Efficacy and Quality Standards
- Bioactive Natural Products: Potential Therapeutic Applications in Drug Discovery
- Herbal Drug Regulatory Affairs: Global Standards and Challenges in Commercialization
- Nanotechnology in Herbal Drug Delivery: Enhancing Bioavailability & Targeted Therapy
- Functional Foods & Nutraceuticals: Role of Medicinal Plants in Disease Prevention
- Ayurvedic Ahara & Holistic Nutrition: Bridging Traditional Wisdom and Modern Science
- Green Extraction Techniques: Sustainable Approaches in Food & Pharmaceutical Industries
- Sustainable Cultivation & Conservation of Medicinal Plants
- Climate Change & Its Impact on Medicinal Plant Biodiversity
- Personalized Herbal Medicine: Genomic Insights & AI-driven Innovations
- Role of Ethnopharmacology in Sustainable Healthcare

Aims/Objectives: Aim(s)/ objective(s) must be very clear.

Methods: Brief methodology of the study that must be clearly stated.

Results: Results must be presented in the running text. No figures and tables are allowed.

Conclusion: Conclusions must be clear and answer the research question posed.

HAKEEM ABDUL HAMEED YOUNG RESEARCHER AWARDS

Centre of Excellence in Unani Medicine (Pharmacognosy and Pharmacology), Bioactive Natural Product Laboratory, SPER, Jamia Hamdard has instituted this award for Young Researchers in the field of Traditional/Unani Medicine/Natural product research for drug discovery in the memory of Late Hakeem Abdul Hameed Sb, Founder Chancellor, Jamia Hamdard

Objective

To recognize and encourage the young talented scientists/researchers/scholars from academia and industry working in any area of Traditional/Unani Medicine/Natural product research including quality control, pharmacology etc. or any other research related to the promotion and development of Unani and other traditional medicine.

Criteria of selection

The selection will be limited to the delegates of the National conference, who will register for the conference and get their paper accepted for oral presentation. Participants engaged in research in any field of Traditional Medicine/ Natural product research, up to the age of 45 years, are eligible.

Three best Poster & Oral presentations will be awarded based on the relevance of work and quality of presentation during the conference, where the presentations will be judged by the experts from different areas, as decided by scientific committee.

The Award carries a Memento and a Certificate.
