Re: Collaborator on NSERC Alliance (option 2) project

Dear Dr. Misra,

We wanted to inform you that the organization, “*Save The Environment*” led by you is collaborator on the funded “Microplastics in Sewage Sludge Exploration and Detection (MISSED)”. This proposal is brought to you in partnership with the Governmental partners (1. National Research Council Canada (NRC), 2. Environment and Climate Change Canada (ECCC)); Municipal partners (3. Regional York Municipality (RYM), 4. Metro Vancouver (MV)); Non-Profit partners (5. Ripley’s Aquarium of Canada (RAC) and 6. Pollution Probe); International collaborators (7. Catalan Institute for Water Research (ICRA) in Spain, 8. La Universidad de Castilla-La Mancha (UCLM) in Spain, 9. Norwegian University of Life Sciences (NULS) in Norway).

Thanking you.

Sincerely,

**Satinder Kaur Brar, Ph.D.**

I Professor and James and Joanne Love Chair in Environmental Engineering I

Department of Civil Engineering
