Report on Plantation Drive

Save The Environment (STE) & Nirjhar Residential School, Durgapur
Date: 24 June 2026 | Venue: Nirjhar Residential School, Durgapur, West Bengal

Save The Environment (STE), Kolkata in collaboration with Nirjhar Residential School, Durgapur, organized a Plantation Drive on 24 June 2026 at the school premises. The programme was undertaken with the objective of promoting environmental awareness among young students and encouraging their active participation in the conservation of nature.The plantation activity witnessed enthusiastic participation from the students and teachers of Nirjhar Residential School and members of the STE Durgapur Team.

The students actively participated in planting saplings and were sensitized to the importance of trees in maintaining ecological balance, conserving biodiversity, mitigating the impacts of climate change, and ensuring a healthy and sustainable environment. The programme also emphasized the importance of afforestation, environmental stewardship, and responsible ecological practices. By involving students directly in the plantation activity, the initiative sought to nurture a sense of responsibility and appreciation for nature among the younger generation.

The programme was coordinated by Mrs. Shubhra Misra, Vice President, Save The Environment (STE), along with members of the STE Durgapur Team. Their dedicated efforts contributed to the smooth and successful organization of the event.STE gratefully acknowledges the support and cooperation of Ms. Neeta Sinha, Director, Nirjhar Residential School, who kindly agreed to collaborate with STE for this meaningful environmental initiative. Her encouragement and commitment to creating environmental awareness among children contributed significantly to the success of the programme.

Addressing the participants, Mrs. Shubhra Misra highlighted the need to involve children in environmental conservation from an early age. She emphasized that developing environmentally responsible attitudes among young minds is essential for building a sustainable and greener future.

The Plantation Drive concluded with a renewed commitment by STE and Nirjhar Residential School to continue promoting environmental

education, conservation and sustainable practices, while inspiring young people to become responsible custodians of nature.

The initiative beautifully reflected the shared commitment of both organizations towards environmental conservation and sustainable development.“Plant a Tree Today, Secure a Greener Tomorrow.”
